Milestone Incentive Activities - 11th Grade

Students in the College Savings Match and Incentive program must achieve the required number of milestones activities, from among the list of options provided below to earn the stated annual incentive value. The value of incentives earned is added to the match earned on the college savings (529) account.

Students must verify completion of AT LEAST FOUR of these milestone activities by May 30 of the 11th grade of high school to secure the grade-level incentive of \$600.

KC Scholars will not award partial funding to students who complete fewer than the minimum number of required activities.
