March 16, 2020

KC Scholars is committed to doing our part to protect the well-being of our staff, families, Scholars, and the community as we all do our best to proactively respond to the COVID-19 virus.

To that end, the KC Scholars' office is closed for two weeks (with a planned re-open on March 30) during which all business is being handled via phone or technology. Meetings and events are being canceled. Some meetings and events will be rescheduled, while others are being conducted via phone or technology. Impacted parties have been notified.

KC Scholars’ staff will respond to your email as soon as possible and thank you for your patience and understanding.

In times such as these, it is important to remember that (as someone tweeted) all these things are also contagious: gratitude, thankfulness, laughter, kindness, teamwork, support, and a community spirit.

May we all stay well!

Sincerely,

Beth

Beth Tankersley-Bankhead
President and CEO
KC Scholars
