Lee's Summit City Council Meeting

City Council held a public hearing to discuss a preliminary development plan for Diventures, a development project located at 2951 NE Independence Avenue next to the Breaktime gas station.

On August 23, the Council did not pass ordinances approving the preliminary development plan and a special-use permit for the storage facility.

City Council has recommended denial in a 5-2 vote.

Lee's Summit Water Utilities recognized for high customer satisfaction.

Lee's Summit Water Utilities received the results of the 2022 Customer Survey which shows high overall satisfaction with the quality of water and sewer services. A total of 629 residents completed the survey which was administered by ETC Institute in the spring of 2022.

The Customer Survey was developed to objectively assess customer satisfaction with the delivery of water and sewer services and provide customers with an opportunity to provide open-ended feedback.

The results found that a majority of respondents said the taste of drinking water, reliability of water service, reliability of sanitary sewer service, variety of bill payment options, timeliness of repair service, and truck traffic in residential neighborhoods, scale of property values, truck traffic in residential neighborhoods, scale of properties, and customer satisfaction with the delivery of water and sewer services.

Lee's Summit Students

Lee's Summit Senior Eliza Bake, Ethan Gruen, Sanjosh Hanumanthiah, Hannah Tai from Lee's Summit High School.

Lee's SummitCouncil approved an ordinance accepting a final plat for the Napa Valley Subdivision in southern Lee's Summit Road. The fifth and final plat for the Lee's Summit neighborhood will include 90 lots for new homes.
